Q&A session can be allocated at the end of the session (Flexible as it depends on the available time and style of the moderator)

Flow of the Session:

- There is no specific mechanism for the session moderator. This depends on the style of the moderator.
- The moderator can re-order the presentations according to the flow of the content and style of the moderator, however the speakers and organizer/IT technician should be informed before the session starts for the stage and presentation file arrangement.

- We recommend the moderator to start the session with the objectives of the session, a brief introduction of the speakers, duration of each presentation, and duration of Q&A.
- “Questions and Answers” can be allocated at the end of each presentation or at the end of all presentations. (This depends on the style of the Session Moderator and availability of time)
- At the end of all presentations and Q&A, the moderator may summarise key findings and practical/innovative strategies to improve partnership with industry for TVET institutions.

Submission of Biodata and PPT:

- We would like to request all speakers to submit the following information to Ms Piyapa (Coordinator of SEAMEO Secretariat) at her email: piyapa@seameo.org by **Thursday 18 May**.
 - a. A brief biodata or short CV (1 page) of speaker
 - b. Draft Powerpoint Presentation File
- If the speakers have some adjustments on their presentation, the speakers can resubmit the final file to Ms Piyapa on **Sunday 21 May**.

Thank you very much
