(hereinafter referred to as “Sides”)

Have reached the following understanding:

### Objectives and Principles

1. This agreement (hereinafter referred to as the “FOC”) intends to set out the general principles of mutual cooperation in the field of education, according to which the Sides may jointly identify areas of mutual interest and carry out cooperative activities on the basis of reciprocity and mutual benefit.

### Scope of Cooperation

1. Cooperative activities under this FOC will be carried out in the field of FISHERIES.
2. The Sides will endeavor to encourage and facilitate, as appropriate, the development of contact and cooperation in the field of vocational education between the interested organizations and institutions.
3. The Sides will encourage the following cooperative activities, in particular:
  - i. the **exchange of information** on their respective educational systems and policies to assist in ongoing education reform and to facilitate the recognition of each other’s vocational Certificates, Diplomas and Degrees and student/staff mobility, content mobility as well as cross industrial internship for at least 6 months period
  - ii. **exchange and professional development** of officials, academics, scholars, teachers, experts, students and administrative staff;

- iii. collaboration between education institutions in joint delivery and research programs and publications, including exchange of research materials, publications and educational literature;
- iv. joint conference, exhibitions and symposia on matters of mutual interest; and
- v. other forms of cooperation in mutually determined and targeted areas of language education and quality of learning improvement through Open and Distance Learning.

The details of collaboration are in Appendix I.

#### Implementation and Funding

1. The Sides will establish a joint committee for policy dialogue to regularly exchange information and experience on education challenges and reform, and to identify priorities for cooperation in the field of vocational education.
2. The cost of cooperative activities may be funded as mutually determined. All cooperative activities under this FOC will be subject to the availability of funds to the Sides

#### The Roles of Participating Parties

1. The Sides who participate in this collaboration will execute the activities as a part of cooperation.
2. SEAMEO Secretariat, SEAMOLEC, and SEAMEO VOCTECH and the related Governmental Agencies or other Development Agencies as participating parties will be appointed by Sides, responsible as joint committee conceiver and facilitator in how the cooperation will be put into practice.

#### Amendment

If either Sides wishes to make changes within FOC content, this FOC may be amended by mutual written consent of the Sides.

#### Entry into Force and Termination

1. This FOC will come into effect on the date of signature.
2. This FOC will remain in effect for an initial period of three (3) years and will be evaluated each year, unless a side notifies the other sides, in writing, of its intention to terminate this FOC at least three (3) months before the expiry date of the relevant period.
